**RE: SILKEUTSABAY, Boualong**  
**DOCKET NO.: 2:13CR00140-TOR-3**  
**REQUEST FOR MODIFICATION**

Dear Judge Rice:

On May 29, 2015, Your Honor ordered that Mr. Silkeutsabay's conditions of release be modified to discontinue the use of electronic monitoring, and instead placed Mr. Silkeutsabay on home incarceration. The defendant is required to be in his residence at all times except for medical needs or treatment, religious services, court appearances, and at such other times ONLY as pre-approved in advance by his pretrial services officer.

On June 1, 2015, pretrial services, from the Central District of California, contacted the undersigned officer to discuss the modification of conditions. Pretrial services indicated that their ability to monitor someone on home incarceration without the use of electronic monitoring would be very difficult, as they would have no way to know if the defendant was adhering to the condition at all times. Therefore, pretrial services in the Central District of California requested that the condition placing the defendant on home incarceration be removed.

On June 1, 2015, Mr. Silkeutsabay visited his pretrial services officer in the Central District of California, and discussed modifying his release conditions to remove the condition for home incarceration. Mr. Silkeutsabay was in agreement to remove the condition and signed a consent to modify conditions of release. Defense counsel was contacted and agreed to the modification and signed the form as well.
